THE ULTIMATE GUIDE TO DIET, JAGATSINGHPUR

The District Institute of Education and Training (DIET), Jagatsinghpur, was originally established as the Secondary Training School, Jagatsinghpur, in 1973. Following Government Order No. 10701 on 25th May 2005, the institution was upgraded to DIET status in 2005. It operated on the premises of Government Girls' High School, Jagatsinghpur, until February 2013.

Starting in March 2014, DIET Jagatsinghpur began operating at its current location in the Ladies Hostel Building at Markandapur. It later moved to its own administrative building, offering a 2-year D.El.Ed course with an intake of 100 students each year. As the only institute in Jagatsinghpur district, it supports elementary teacher education by awarding diplomas.

Principal's Message

Dear All,

Education is the nectar of truth that accelerates the pace of both human and civilizational life, leading to the pinnacle of progress and prosperity. It enriches not only our material existence but also brings bliss, tranquillity, and perfection in the realm of time, from cradle to grave, unveiling the eternal reality of liberation.

It is the responsibility of teachers to adhere proper pedagogical processes, enabling students to become valuable assets by reaching their targets in a global context. In this regard, DIET plays a pivotal role in building the careers of prospective teachers as well as capacity building of in-service teachers, preparing them to enter into the workforce with vigour, a scientific & progressive outlook, proficiency and skilful service to be recognised themselves as the backbone of society. The publication of “**SHIKSHYA SHREE**” (2nd Edition) is a reflection of this collective effort, showcasing the creativity, achievements, & vision of our academic community. Together, they visualize a better tomorrow for our pious land, steeping a landmark in the vibrant India. I wish you all the best in this noble endeavour.

Dr. Tapaswini Mohapatra
Teacher Educator

Department In-charge's Message

Respected All,

It gives me immense pleasure to present the second edition of “**SHIKSHYA SHREE**”, the newsletter of DIET Jagatsinghpur, which reflects the activities, achievements, and aspirations of our institute while providing a platform to showcase the creativity and commitment of our faculty and pupil teachers. I extend my sincere gratitude to our Principal, Mr. Ramesh Chandra Malik, for his constant guidance and encouragement, and to all faculty members and pupil teachers for their valuable contributions towards the successful compilation of this issue. I firmly believe that “**SHIKSHYA SHREE**” will continue to be a source of information, inspiration, and pride for all associated with DIET Jagatsinghpur.

A DOCUMENTARY ON ACTIVITIES OF DIET JAGATSINGHPUR (JULY 2024 - JUNE 2025)

VISION:

The vision of DIET, Jagatsinghpur is to become a leading institution for empowering educators, nurturing a culture of lifelong learning, and fostering educational excellence at the grassroots level. DIET aims to develop skilled, innovative, and compassionate teacher educators who can drive positive transformation in elementary education, especially in rural and underserved areas. By equipping educators with advanced pedagogical practices, DIET envisions enhancing the quality of education and contributing to the holistic development of learners in a diverse, inclusive, and equitable learning environment.

MISSION:

- ✓ To prepare quality and competent teachers for both elementary education through robust pre-service and in-service training programs.
- ✓ To organize need-based training programs tailored to the diverse needs of teachers, focusing on contemporary teaching methods, foundational literacy and numeracy, and child-centered pedagogy.
- ✓ To prepare locally available relevant teaching and learning materials that integrates educational technology to enhance classroom management for achieving grade specific LOs.
- ✓ To develop materials to enrich curriculum as well as assessment tools aimed at increasing student achievement levels and fostering deeper sense of understanding in key learning areas.
- ✓ To undertake action research, case studies, and research projects that contributes to the improvement of teaching practices and support data-driven educational reforms & innovations.
- ✓ To conduct school visits and provide on-site support, addressing real-time classroom challenges and strengthening teacher capabilities.
- ✓ To publish newsletters, designing educational materials and to disseminate the best practices, innovative strategies, and findings from research initiatives alongside creativity.

PRE-SERVICE ACTIVITIES

"Celebrating SHIKSHA SAPTAH: Honoring NEP 2020's 4th Anniversary"

DIET Jagatsinghpur celebrated Shiksha Saptah from 22nd to 28th July 2024, marking the 4th anniversary of the National Education Policy (NEP) 2020. As part of the celebration, two special days were observed with enthusiasm. On TLM Day, pupil teachers showcased innovative Teaching-Learning Materials (TLM) rooted in local contexts and demonstrated their effective classroom application. FLN Day focused on raising awareness about the NIPUN/FLN Mission, emphasizing foundational literacy and numeracy for young learners. Both days witnessed active participation from pupil teachers and faculty, reinforcing the commitment to quality education and innovative pedagogy.

"Patriotism in Action: DIET's 78th Independence Day Tribute"

DIET Jagatsinghpur celebrated the 78th Independence Day with great enthusiasm, organizing debate, essay writing, and quiz competitions. Pupil teachers from both years actively participated, and selected winners were honored by the Collector, Jagatsinghpur, during the district-level celebrations. On this auspicious occasion, faculty members also carried out a plantation drive on the DIET campus, promoting environmental awareness. Additionally, a visit was made to Trinath Old Age Home, where fruits and biscuits were distributed, spreading joy and compassion among the elderly residents.

"D.El.Ed. 1st Year Final Practical Examination Held Successfully"

The final practical examination for D.El.Ed. 1st-year pupil teachers was conducted at Govt. UPS, Kantaballavpur, on 3rd and 4th September 2024. The assessment included monograde teaching on the first day and multigrade teaching on the second day, evaluating the trainees' pedagogical skills in real classroom settings. Mr. Bikram Kumar Pradhan, Principal, DIET Angul, served as the external examiner, while Mr. Ramesh Chandra Malik, Principal, DIET Jagatsinghpur, acted as the internal examiner. The examination provided a valuable opportunity for pupil teachers to demonstrate their teaching competencies and readiness for the profession.

"Celebrating Teacher's Day at DIET Jagatsinghpur"

On 5th September, DIET Jagatsinghpur commemorated Teacher's Day with enthusiasm and gratitude. The event honored the dedication and contributions of educators in shaping future generations. Pupil teachers organized cultural performances, speeches, and tributes to express their respect and appreciation for their mentors. Faculty members shared inspiring messages on the significance of the teaching profession. The celebration served as a moment of reflection on the pivotal role teachers' play in society, reinforcing the commitment to quality education.

"SWACHHATA PAKHWADA Observed in DIET, Jagatsinghpur"

DIET Jagatsinghpur actively participated in the Swachhata Pakhwada initiative in the first week of September by organizing a cleanliness drive across the campus and building. Faculty members, staff, and pupil teachers took part in the activity, emphasizing the importance of hygiene, environmental responsibility, and collective efforts toward a cleaner and healthier educational space. This initiative reinforced the values of cleanliness and sustainability among future educators.

"Ganesh Puja Celebration at DIET Jagatsinghpur"

On 7th September 2024, DIET Jagatsinghpur celebrated Ganesh Puja with devotion and enthusiasm. The event began with the ceremonial installation of Lord Ganesh's idol, followed by traditional rituals and prayers. Faculty members, staff, and pupil teachers participated in the celebrations, seeking blessings for wisdom and success. The campus was adorned with decorations, and devotional songs created a spiritual atmosphere. The celebration fostered a sense of unity and cultural reverence among all attendees, marking the occasion with joy and devotion.

"Seamless Admission Process for D.El.Ed. 1st Year"

The admission process for the 1st-year D.El.Ed. course at DIET Jagatsinghpur was successfully conducted in three phases during October, November, and December 2024. Ensuring a smooth and transparent process, Mr. Susanta Kumar Naik, Senior TE, and Dr. Priyabrata Priyadarshi Behera, TE, efficiently managed the admissions. With meticulous planning and execution, the institute welcomed a new batch of aspiring educators, marking the beginning of their journey in teacher education.

"Empowering Youth through DIET of Excellence Initiatives"

In October 2024, DIET Jagatsinghpur conducted a series of enriching activities under the DIET of Excellence initiative, as suggested by the Ministry of Education, Government of India. Events such as Career Mela, Creative Writing, Mental Health and Well-being, and Skill Development Initiatives provided pupil teachers with opportunities for experiential learning and personal growth. Faculty members were assigned specific responsibilities to ensure the smooth execution of these programs, fostering holistic development and preparing future educators for diverse challenges.

"Honoring the Legacy of Mahatma Gandhi & Lal Bahadur Shastri"

On October 2, 2024, DIET Jagatsinghpur celebrated Gandhi Jayanti and Shastri Jayanti with great reverence. The event paid tribute to Mahatma Gandhi's ideals of truth and non-violence and Lal Bahadur Shastri's vision of simplicity and leadership. The program included speeches, patriotic songs, and discussions on their contributions to the nation. Faculty members and pupil teachers actively participated, reaffirming their commitment to the values of peace, integrity, and dedication to education.

"ASER 2024 Training for Pupil Teachers"

On 28th and 29th October 2024, ASER 2024 training was conducted at DIET Jagatsinghpur for 2nd-year D.El.Ed. pupil teachers. The training focused on equipping them with essential skills for conducting surveys on foundational literacy and numeracy. Through interactive sessions, pupil teachers learned about survey methodologies, assessment tools, data collection techniques, and community engagement strategies. This hands-on training prepared them to contribute effectively to evidence-based educational research and field studies.

"Children's Day Celebration at DIET Jagatsinghpur"

On 14th November 2024, DIET Jagatsinghpur joyfully celebrated Children's Day with a variety of engaging activities. The event featured competitions including creative writing, rangoli, and Jhoti, providing a vibrant platform for pupil teachers to showcase their talents. The celebration was graced by the presence of the Principal and special guests, who encouraged participation and fostered a spirit of creativity and camaraderie among the attendees. The day was filled with enthusiasm, reflecting the institution's commitment to nurturing the holistic development of children. Celebration of Children's Day at DIET.

"PARAKH Rashtriya Sarvekshan 2024 by DIET Jagatsinghpur Pupil Teachers"

On 4th December 2024, DIET Jagatsinghpur conducted the PARAKH Rashtriya Sarvekshan 2024 in Jagatsinghpur district, covering all 8 blocks and 118 selected schools. The survey assessed baseline competency development at the end of the Foundational, Preparatory, and Middle stages for Grades 3, 6, and 9, as part of a national initiative aligned with NEP 2020. Selected pupil teachers, teachers, and CRCCs actively participated under the supervision of the Principal, with DIET faculties serving as block coordinators, ensuring smooth and effective execution at the district level.

"A Warm Welcome to Future Educators"

In December 2024, DIET Jagatsinghpur organized a heartfelt welcome ceremony for the newly admitted D.El.Ed. 1st-year pupil teachers. The 2nd-year students extended their hospitality by presenting gifts and flowers, symbolizing camaraderie and encouragement. Faculty members addressed the students, emphasizing the significance of their journey in teacher education. The program included motivational speeches, cultural performances, and interactive sessions, fostering a sense of belonging and enthusiasm among the fresh batch. The event created a warm and inclusive environment, making the newcomers feel at home. To add to the celebration, a special lunch was arranged, bringing together students and faculty in a spirit of unity and joy. This memorable occasion set the tone for a collaborative and enriching academic journey ahead.

"Induction Training: A Strong Start for Future Educators"

DIET Jagatsinghpur organized a two-day Induction Training Program in December 2024 for newly admitted D.El.Ed. 1st-year students. The training aimed to familiarize students with the academic structure, institutional expectations, and their transformative journey into the teaching profession. All faculty members conducted sessions as per the planned schedule, ensuring an engaging and interactive learning experience. The training covered pedagogical insights, institutional policies, and professional ethics, helping students transition smoothly into their academic and professional roles. To conclude the program on an inspiring note, the film "Chalk and Duster" was screened, emphasizing the passion, dedication, and impact of teachers in shaping society. This session left a deep impression on the trainees, motivating them to embrace their responsibilities as future educators with commitment and enthusiasm.

"Enhancing Lesson Planning Skills: A Hands-on Workshop"

A two-day workshop on English lesson plan preparation and presentation was conducted in December 2024 for 2nd-year pupil teachers at DIET Jagatsinghpur. Led by Dr. Tapaswini Mohapatra, TE, the workshop aimed to equip pupil teachers with the necessary skills to design structured, engaging, and effective lesson plans before they embarked on their internship program. The pupil teachers were divided into groups, collaboratively developing lesson plans based on different topics. The sessions emphasized content organization, teaching strategies, and interactive presentation methods, ensuring a practical and application-based learning experience. This workshop not only strengthened their lesson planning abilities but also boosted their confidence in classroom instruction, preparing them for a successful teaching internship.

"A Fresh Start: Warm New Year Celebration & DIET Newsletter Launch"

The DIET family welcomed the New Year in a spirit of unity and optimism. Staff members honored Principal Mr. Ramesh Chandra Malik with a bouquet of fresh flowers, expressing heartfelt wishes for success and collaboration in the coming year. A cheerful cake-cutting ceremony further lifted everyone's spirits, setting a positive tone for teamwork and achievement. Highlighting the festivities, Principal Malik officially inaugurated Volume 1 of the DIET Newsletter, marking a significant milestone for the institution. The event gathered all staff and pupil teachers from both first and second years, reflecting the collective enthusiasm and commitment to educational excellence at DIET.

"Together, we begin a new chapter—committed to growth, innovation, and shared success." - Principal Ramesh Chandra Malik

"Broadening Horizons: DIET Jagatsinghpur Pupil Teachers' Exposure Visit"

On 12th January 2025, both first-year and second-year pupil teachers of DIET Jagatsinghpur embarked on an enriching exposure visit accompanied by the Principal and the entire DIET staff. The educational journey included visits to DIET Kendrapara, the serene spiritual site of Olasuni, and the historic heritage of Lalitgiri. This visit provided pupil teachers with valuable insights into diverse educational practices, cultural heritage, and experiential learning, fostering professional growth and a broader perspective on the teaching-learning process.

"Learning beyond the classroom helps shape teachers who can inspire beyond textbooks."- Principal, DIET Jagatsinghpur

"Fueling Team Spirit: Annual Sports Meet 2025 at DIET Jagatsinghpur"

From 16th to 17th January 2025, DIET Jagatsinghpur came alive with energy and enthusiasm during its much-awaited Annual Sports Meet. The event began with the Sports Mashal proudly carried by Puja Swain and Soubhagya Ranjan Sethi of Second Year D.El.Ed., symbolizing the spirit of unity and healthy competition. Principal, Mr. Ramesh Chandra Malik formally inaugurated the meet, marking the start of two vibrant days of athletic excellence. Participants showcased their skills in a variety of outdoor and indoor games including cricket, volleyball, shot put, discus throw, puchi, and daudi dian, fostering teamwork, resilience, and sportsmanship. The event not only celebrated physical prowess but also strengthened bonds within the DIET family. "Sports teach us discipline, perseverance, and the joy of shared victories."

"Pride & Patriotism: Celebrating the 76th Republic Day at DIET Jagatsinghpur"

DIET Jagatsinghpur marked the 76th Republic Day with pride, unity, and a spirit of patriotism. In the days leading up to the celebration, a series of vibrant competitions including essay writing, debates, patriotic song, quiz, and rangoli were organised for pupil teachers, showcasing their creativity and national fervour. On this auspicious day, winners were honoured with prizes in the presence of Principal, faculty, and fellow students, making the occasion truly memorable. Adding to the pride, selected pupil teachers represented DIET at the district-level competitions, securing top positions in English Debate, Odia Debate, Patriotic Song, and Quiz, bringing laurels to the institution.

“Celebrating Republic Day is not only about honouring our Constitution - it’s about instilling values of unity, integrity, and responsibility in future educators.”

"Honoring Wisdom: SARASWATI PUJA at DIET Jagatsinghpur"

On 2nd February 2025, DIET Jagatsinghpur celebrated Saraswati Puja with devotion and enthusiasm, uniting staff, faculty, and pupil teachers in prayers to the goddess of knowledge and wisdom. The venue was beautifully decorated with flowers, books, and musical instruments, creating an atmosphere of learning and creativity. Traditional rituals were followed by the distribution of prasad to all, marking the day with blessings and togetherness.

"CHAITRA CHITRA - 2025: Annual Function at DIET Jagatsinghpur"

The much-awaited Annual Function – Chaitra Chitra 2025 was celebrated with grandeur in the DIET Jagatsinghpur premises, bringing together talent, achievement, and cultural vibrancy under one roof.

The event was graced by eminent personalities, including Chief Guest Smt. J. Sonal, Collector & District Magistrate, Jagatsinghpur; Chief Speaker Prof. Ramakanta Mohalik, RIE, Bhubaneswar; and Guests of Honour Dr. Ashutosh Mallik (Assistant Professor of Odia, BJB (A) College, Bhubaneswar), Dr. Abhisekh Upadhaya (Assistant Professor of English, BJB (A) College, Bhubaneswar), and Mr. Manoj Kumar Lenka (Assistant Professor of Geography, GTTC, Phulbani).

Principal Mr. Ramesh Chandra Malik joined the distinguished guests in inaugurating the programme. The highlight of the evening was the prize distribution ceremony recognising winners from both first-year and second-year pupil teachers in categories such as sports, song, debate, dance, Best Volunteer, and Star of DIET.

The invited dignitaries delivered inspirational speeches encouraging pupil teachers to excel in academics, co-curricular activities, and service to society. The celebration concluded with dazzling cultural performances including songs, dances, and drama presented by talented pupil teachers, making the evening a memorable blend of recognition, motivation, and entertainment.

“Chaitra Chitra is not just a function – it’s a celebration of talent, dedication, and the vibrant spirit of the DIET family.”

"UTKAL DIWAS Celebration at DIET Jagatsinghpur"

On 1st April 2025, DIET Jagatsinghpur celebrated Utkal Diwas with pride and patriotic fervour, honouring Odisha's rich cultural heritage. The event featured speeches by faculty members and pupil teachers, along with melodious patriotic songs performed by pupil teachers. Mrs. Jyotsna Rani Dash, Sr. TE coordinated the programme, which included the garlanding of great souls such as Utkal Gourab Madhusudan Das, Utkal Mani Gopabandhu Dash, and other eminent leaders in the DIET campus, followed by vibrant cultural performances. The celebration reflected unity, cultural pride, and the institution's commitment to educational excellence.

"Celebrating Wellness and Heritage: Yoga & Mother Language Day"

DIET Jagatsinghpur celebrated the International Day of Yoga on 21st June 2025, promoting physical well-being and holistic health through yoga sessions for staff and pupil teachers. The institution also observed International Mother Language Day on 21st February 2025, emphasizing the importance of linguistic diversity and the rich heritage of mother tongues through awareness activities and cultural programmes.

"Celebrating Heritage: ODIA PAKSHYA at DIET Jagatsinghpur"

From 1st to 14th April 2025, DIET Jagatsinghpur observed Odia Pakshya with a vibrant series of cultural, social, and community-driven activities, as per the agenda prepared by Principal Mr. Ramesh Chandra Malik. Tasks were allotted to all faculty members, ensuring effective execution and participation. Highlights of the fortnight included a water shed programme at College Square, Jagatsinghpur (held over two days), cleaning of the DIET building and campus, Jhoti competition, debate competition, Odia traditional food mela, traditional art, craft & dress competition, a blood donation camp, cleaning of Baranga Jagannath Temple, and Odia New Year celebrations. Pupil teachers from both first and second years took an active role in every activity, while faculty members worked in close cooperation to make the event a resounding success showcasing pride in Odisha's culture, traditions, and community spirit.

"Odia Pakshya reminds us that preserving our heritage is as important as building our future."

"Action Research Reports Presentation by 2nd Year Pupil Teachers"

A two-day presentation of Action Research Reports was organized by DIET Jagatsinghpur, where second-year pupil teachers showcased their work. Each faculty member supervised and guided a group of ten pupil teachers in preparing the Action Research reports. Principal Mr. Ramesh Chandra Malik graced the event and offered valuable opinions and information regarding research and action research, encouraging participants and enriching the academic atmosphere.

"Demonstration Teaching for First-Year Pupil Teachers at DIET Jagatsinghpur"

DIET Jagatsinghpur conducted demonstration teaching sessions for first-year pupil teachers ahead of their internship program. Faculty experts led practical demonstrations in key subjects: Mr. Susanta Kumar Naik, Senior Teacher Educator, in Odia for multi-grade classes; Smt. Smitashree Biswal, Senior Teacher Educator, in Science; and Smt. Prajnadipti Sahoo, Teacher Educator, in Odia for monograde classes.

Principal Mr. Ramesh Chandra Malik and faculty members provided insightful feedback and valuable guidance to enhance the pupil teachers' practical skills, underscoring DIET's commitment to quality teacher preparation.

"Driving Digital Learning: E-Content Development by DIET Jagatsinghpur"

In March 2025, as part of an assignment from SCERT, Senior Teacher Educators and Teacher Educators of DIET Jagatsinghpur undertook the planning, recording, and editing of video lessons for Classes 5 to 8 in Science, EVS, Odia, and English.

In total, 24 high-quality e-content videos were produced, aimed at supporting interactive and accessible learning for students. This initiative not only enriched the state's digital resource bank but also strengthened DIET faculty's expertise in content creation and educational technology integration.

"Quality e-content empowers teachers and inspires students beyond the classroom walls."

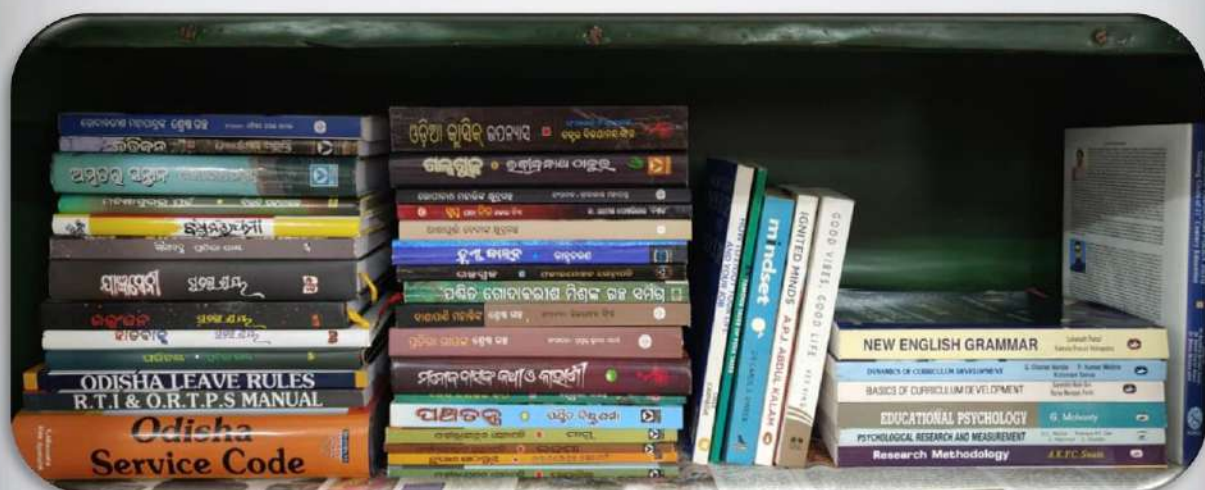

"Seminar on NCF FS 2022 at DIET Jagatsinghpur"

On 30th June 2025, DIET Jagatsinghpur organized a seminar for second-year pupil teachers on "Implementing the NCF FS 2022: Challenges and Strategies for Holistic Childhood Development." Groups of pupil teachers prepared and presented seminar papers, facilitating rich academic exchange and peer learning. The programme was coordinated by Mrs. Prajnadipti Sahoo, with insightful feedback and encouragement from Mr. Ramesh Chandra Malik (Principal), Mr. Manoj Kumar Lenka (Asst. Prof., Govt. B.Ed. College, Phulbani), and all faculty members. The activity reflected DIET's commitment to building expertise and fostering innovation in teacher education at the foundational stage.

"Enriching Resources: New Books for DIET Library"

In the academic year 2024–25, DIET Jagatsinghpur added 101 new books to its library collection. These included novels, subject-specific titles, books on English, education, history, competitive exams, and administrative topics. This significant expansion was made possible through the proactive initiative of Principal Mr. Ramesh Chandra Malik and the dedicated efforts of the Library In-charge, Dr. Tapaswini Mohapatra. These enriched resources will greatly support the academic and professional growth of pupil teachers and faculty alike.

IN-SERVICE ACTIVITIES

"Strengthening Academic Leadership: CRCCs' Orientation and PLC Meeting at DIET Jagatsinghpur"

DIET Jagatsinghpur has been actively engaging Cluster Resource Centre Coordinators (CRCCs) through virtual and physical orientations to enhance classroom practices and foundational literacy and numeracy (FLN) implementation.

In July 2024, 115 CRCCs from eight blocks of Jagatsinghpur district were oriented virtually on the new classroom observation tool, ensuring uniformity in monitoring teaching-learning practices. Additionally, a Virtual PLC Meeting on the National Curriculum Framework for Foundational Stage (NCF-FS) 2022 was conducted for ADEO (Academic), Pedagogy Coordinators, and CRCCs, fostering discussions on contemporary pedagogical approaches.

To ensure ongoing professional development, monthly physical orientation programs are conducted at DIET, covering crucial aspects such as FLN components, assessment strategies, lesson planning, and NAS preparations. These sessions provide a collaborative platform for CRCCs to address classroom challenges, share insights, and refine intervention strategies for improved student learning outcomes. Moreover, as part of their role, CRCCs are required to conduct Monthly Cluster-Level Sharing Meetings in their respective clusters, ensuring the dissemination of knowledge and the effective implementation of best practices at the grassroots level.

"Strengthening DIET-CRC Linkage: Planning cum Sharing Meeting"

On August 2, 2024, DIET Jagatsinghpur hosted a planning cum sharing meeting to enhance the DIET-CRC linkage program. The session brought together DIET faculty, ADEO (Academic), BEOs, ABEOs (Academic), three selected CRCCs from each block, and the Pedagogy Coordinator for in-depth discussions on collaborative strategies, effective school support mechanisms, and strengthening academic interventions.

The meeting provided a structured platform for sharing insights, addressing challenges, and formulating action plans to reinforce the academic monitoring and mentoring process, ensuring a stronger school support system.

"CRCC Visioning Test for Recruitment"

From August 6-7, 2024, DIET Jagatsinghpur conducted the CRCC Visioning Test to recruit new Cluster Resource Centre Coordinators (CRCCs) across eight blocks. The selection process included a written test and group discussion to assess candidates' academic expertise, leadership skills, and vision for school improvement.

The question paper was prepared and reviewed by assigned Senior Teacher Educators (Sr. TEs) under the direct supervision of the Principal, District Education Officer (DEO), ADEO (Academic), and Pedagogy Coordinator. This structured evaluation aimed to ensure the selection of competent and dynamic CRCCs for strengthening educational support and mentoring in schools.

"NAS 2024 Sample Question Development Workshop"

From August 12 to 14, 2024, DIET Jagatsinghpur organized a workshop for developing sample questions for NAS 2024 (Rashtriya Sarvekshana) in Odia, Mathematics, and Science/Social Science. Subject experts from elementary and secondary schools participated, ensuring alignment with assessment standards. The DIET faculty meticulously reviewed the questions before dissemination to all schools in the district and uploading them on the DIKSHA portal. Mrs. Smitashree Biswal, Sr. TE, coordinated the workshop with DIET faculty, under the close supervision of Principal Mr. Ramesh Chandra Malik.

"PLC on MGML and SEEL for DIET Faculty"

On 20th November 2024, a Professional Learning Community (PLC) session on Multi-Grade Multi-Level (MGML) teaching and Social-Emotional & Ethical Learning (SEEL) was conducted at DIET Jagatsinghpur. The session was facilitated by Mr. Purnendu Kumar Giri, Sr. TE, Mr. Susanta Kumar Naik, Sr. TE, and Dr. Tapaswini Mohapatra, TE.

This training aimed to enhance faculty members' understanding of MGML pedagogies, enabling them to support teachers in handling diverse classrooms effectively. Additionally, the session emphasized SEEL strategies, focusing on integrating social-emotional learning into teaching practices to foster holistic student development. The interactive discussions and practical insights enriched faculty perspectives, contributing to innovative classroom strategies.

"District-Level Seminar on FLN & Quality Enhancement"

On November 26, 2024, DIET Jagatsinghpur organized a District-Level Seminar on Foundational Literacy and Numeracy (FLN) & Quality Enhancement in Elementary Education. 23 CRCCs and teachers presented their seminar papers, with expert insights from Dr. Sujata Dora, Dr. Sujata Mund, and Dr. Chittaranjan Swain on strengthening FLN implementation.

Mrs. Prajnadipti Sahoo, TE, coordinated the seminar, ensuring smooth execution. The event fostered knowledge exchange and professional growth, reinforcing FLN strategies for improved learning outcomes.

"DRIC Meeting on approval of Research Proposals of DIET Faculty"

On 9th December 2024, a District Research Innovation Committee (DRIC) meeting was held at DIET Jagatsinghpur to approve research proposals for the 2024-25 session.

The meeting was attended by external DRIC members, including Dr. Susanta Kumar Mohanty (HM, Alaka High School), Dr. Sujata Mund (Assistant Professor, SVM Autonomous College), Mr. Manoj Kumar Lenka (Assistant Professor, Govt. B.Ed. College, Phulbani), and Mr. Bijay Kumar Swain (BEO), along with internal DRIC members.

Research proposals were presented, reviewed, and modified based on expert suggestions, ensuring academic rigor and alignment with research objectives.

"Empowering Educators: Capacity Building Training on "PURNANGA" Module at DIET Jagatsinghpur"

From January 7th to 10th, 2025, DIET Jagatsinghpur hosted a targeted capacity building program on the "PURNANGA" module, focusing on Multigrade Multilevel (MGML) teaching and Socio-Emotional and Ethical Learning (SEEL) for 116 Cluster Resource Centre Coordinators across eight blocks. Conducted simultaneously in two venues, the sessions led by DIET faculties enhanced CRCCs' skills to support diverse classroom settings and foster holistic development in pupils.

"Strengthening Foundations: DRG Orientation on Balvatika Module 'PRASTUTI'"

From 21st to 25th January 2025, DIET Jagatsinghpur hosted a focused orientation program for 48 District Resource Group (DRG) members 8 from each of the 8 blocks to revisit and refine the Balvatika training module 'PRASTUTI'. The participants represented both Numeracy and Literacy domains, bringing diverse experiences and expertise to the sessions.

Conducted at two training venues within DIET, the program facilitated interactive discussions, practical demonstrations, and peer learning. Led by experienced DIET faculties, it aimed to further strengthen early childhood education strategies, ensuring more effective implementation of foundational literacy and numeracy practices across the district.

"When we invest in strong foundations, we build a future of confident, capable learners."

"Process-Based Assessment (PBA): Enhancing Learning in PRAYOGSHALA School"

Following the direction of TE and SCERT, Odisha, DIET Jagatsinghpur continues to implement the experimental project "Process-Based Assessment: An Experimentation in Prayogshala School for Enhancing Students' Learning" at Govt. UPS, Kantaballavpur since 5th August 2024. Mrs. Prajnadipti Sahoo, TE, and Dr. Tapaswini Mohapatra, TE, are coordinating the project.

The project focuses on Class-4 English, aiming to strengthen students' reading, writing, and comprehension skills. A convergent meeting with stakeholders established implementation strategies, assessment rubrics, and faculty responsibilities. English Teacher-cum-HM Mrs. Madhumita Mohanty employs toy-based pedagogy and innovative assessment techniques, with DIET faculty observing each session and providing feedback. Weekly review meetings and monthly reports ensure continuous monitoring and course correction.

As the project progresses, significant improvements in student learning are being observed. The initiative will continue until February 2025, reinforcing the importance of continuous assessment and innovative teaching methodologies.

"Strengthening Collaboration: DIET-CRC Linkage Planning & Reflection Meet"

On 14th February 2025, DIET Jagatsinghpur convened a one-day planning-cum-reflection meeting to boost DIET-CRC linkage activities across the district. The session brought together a dynamic group of academic leaders, including the ADEO Academic, Pedagogy Coordinator, 5 BEOs, 8 ABEOs, and 32 CRCCs at the DIET campus.

Principal Mr. Ramesh Chandra Malik inaugurated the meeting, underscoring the importance of robust collaboration for quality learning outcomes. The event, coordinated by Ms. Smitashree Biswal, DIET-CRC Linkage Coordinator, with active support from other DIET faculty, focused on key discussion points such as classroom observation protocols, the effective use of assessment trackers, and the defined roles and responsibilities of various stakeholders. The collaborative dialogue set a clear action plan to further strengthen the district's educational networks.

"Action Research Milestones at DIET Jagatsinghpur"

DIET Jagatsinghpur progressed steadily in 2024-25 with key action research events. On 24th February 2025, a one-day orientation on the Action Research Project was held for 16 teachers and CRCCs from 8 blocks of Jagatsinghpur district. The programme was graced by Principal Mr. Ramesh Chandra Malik. On 8th March 2025, the presentation of Action Research Proposals was organized, with participants from all blocks presenting their work. The event was inaugurated by Principal Mr. Malik and coordinated by Mr. Trilochan Sahoo (Research Coordinator). Valuable inputs were given by Dr. Sujata Mund, Head of Education, SVM College, Jagatsinghpur, and Dr. Susanta Mohanty, ADEO, Jagatsinghpur. The process culminated on 26th April 2025 with the presentation of final Action Research Reports. The programme was again coordinated by Mr. Sahoo and valued insights were provided by Dr. Sujata Mund, Mr. Manoj Kumar Lenka, Assistant Professor, Govt. B.Ed. College, Phulbani, and Mr. Bijaya Kumar Swain, BEO, Raghunathpur cum Balikuda Block.

"Research empowers educators to innovate and inspire transformative learning."

"Addressing the Need of the Hour: District Level Seminar on SEEL at DIET Jagatsinghpur"

On 25th February 2025, DIET Jagatsinghpur hosted an insightful district-level seminar on Socio-Emotional and Ethical Learning (SEEL), underscoring its critical relevance in today's educational landscape. The seminar brought together 16 participants CRCs and teachers from all 8 blocks of Jagatsinghpur district (two representatives from each block) fostering collaborative learning and capacity building.

The program was inaugurated by Principal Mr. Ramesh Chandra Malik. Who highlighted the importance of such seminars in enhancing teachers' ability to foster empathy, ethical responsibility, and emotional well-being in students, qualities he described as "essential for shaping balanced and value-driven future citizens" and Mrs. Prajnadipti Sahoo, Coordinator of the Seminar, also successfully coordinated the entire programme, ensuring engaging and meaningful deliberations throughout the day. Adding depth to the discussions, the seminar featured distinguished experts Mrs. Pranati Palei, Assistant Professor, Dr. Sumitra Mishra, Assistant Professor from RNISE, and Dr. Chittaranjan Swain, former Associate Professor at Sarala Mahavidyalaya, Rahama, who shared valuable perspectives on integrating SEEL into teaching practices to nurture well-rounded and compassionate learners.

"Showcasing Innovation: District Level NIPUN Odisha Mela at DIET Jagatsinghpur"

On 28th February 2025, DIET Jagatsinghpur hosted the District Level NIPUN Odisha Mela, transforming the campus into a vibrant hub of creativity and learning. CRCCs and teachers from all 8 blocks set up stalls featuring a variety of innovative Teaching Learning Materials (TLMs) on literacy and numeracy.

The event was graced by Shri Amarendra Das, Hon'ble MLA, Jagatsinghpur, Mr. J. Sonal, District Collector-cum-Magistrate, Mr. Ramesh Chandra Malik, Principal, Mr. Niranjana Behera, DEO, Mr. Paresh Chandra Patra, ADEO, Mrs. Rajyashree Sahoo, ADEO & Mr. Tapan Kumar Nanda, Pedagogy Coordinator among others. Simultaneously, first-year pupil teachers displayed science-based TLMs, while second-year pupil teachers showcased math-focused TLMs, adding youthful creativity to the mela. All selected participants from each block were felicitated with shields and certificates, recognising their contributions. Both the MLA and the Collector shared their valuable perspectives on strengthening foundational learning through innovative classroom practices. The programme was smoothly executed with every DIET faculty member fulfilling their allotted responsibilities.

"Events like this inspire collaboration, creativity, and commitment the true pillars of strong foundational learning."

"Toy-Based Pedagogy Orientation cum Workshop at DIET Jagatsinghpur"

From 18th to 19th March 2025, DIET Jagatsinghpur conducted an orientation cum workshop on toy-based pedagogy for selected subject teachers, art teachers, and CRCCs from the 8 blocks of Jagatsinghpur district. During the two-day programme, participants actively prepared both subject-based and learning outcome-based teaching-learning materials and educational toys aimed at making the teaching-learning process more engaging, effective, and enjoyable. This innovative initiative reflects DIET's commitment to enhancing pedagogical practices through creative and child-centric methodologies.

"Celebrating Creativity: District Level TLM Exhibition 2025 on FLN"

On 28th March 2025, DIET Jagatsinghpur hosted the District Level Teaching Learning Material (TLM) Exhibition on Foundational Literacy and Numeracy (FLN), as per the guidelines of the DTE and SCERT, Bhubaneswar under STARS.

From each of the 8 blocks, the event saw participation from 2 Anganwadi Teachers, 4 FLN Dedicated Teachers (2 in literacy and 2 in numeracy), and 2 CRCCs (1 literacy & 1 numeracy), alongside Supervisors showcasing a diverse range of innovative FLN-related TLMs designed to enhance early learning. The exhibition aimed to showcase creativity, recognize outstanding contributions through felicitation, and provide a platform for sharing best practices and exchanging ideas among teachers. Principal Mr. Ramesh Chandra Malik officially inaugurated the program, with dignitaries ADEO Dr. Susant Kumar Mohanty, BEO Madhusmita Pati and other guests gracing the occasion. Thanks to the collective efforts of all DIET staff, the event was a resounding success, inspiring educators to innovate and collaborate for stronger foundational learning outcomes.

"When teachers share ideas and inspire each other, every child benefits."

"Research Abstract Presentation by DIET Faculty (2024-25)"

On 28th April 2025, DIET Jagatsinghpur faculties presented abstracts of their research projects before the District Research and Innovation Committee (DRIC). The meeting was attended by Principal Mr. Ramesh Kumar Malik and all DIET faculties. Esteemed external DRIC members included Dr. Sujata Mund, Head of Education Department, SVM College, Jagatsinghpur; Dr. Susanta Mohanty, ADEO, Jagatsinghpur; and Mr. Manoj Kumar Lenka, Assistant Professor, Government B.Ed. College, Phulbani.

The event was organized and coordinated by Mr. Trilochan Sahoo, Research Coordinator. The presentations provided an excellent platform for knowledge sharing and academic exchange, reinforcing the research culture at DIET Jagatsinghpur.

"Strengthening Schools: Classroom Observation & Onsite Support by DIET Faculties"

As part of continuous academic support, DIET faculties conduct classroom observations and provide onsite guidance twice every month across their respective allotted blocks in the role of Block Coordinators. These visits focus on mentoring teachers, monitoring teaching practices, and addressing real-time classroom challenges to enhance learning outcomes.

“Regular field support bridges the gap between training and practice, ensuring quality teaching in every classroom.”- Principal, DIET Jagatsinghpur

"Virtual Engagements for Academic Strengthening"

The Principal and DIET faculties actively participated in various virtual meetings organized by TE and SCERT, Odisha to enhance academic interventions: Monthly Cluster Level Sharing Meetings: Attended each month to discuss FLN implementation, assessment strategies, and classroom interventions.

SLAS 2024 Report Dissemination (August 2024): Engaged in discussions on State Level Achievement Survey (SLAS) 2024 findings and their implications for classroom teaching.

Refresher Program (October 2024): Joined a session on PRAYOG, Assessment Tracker Register, Periodic Assessment, and NIPUN ODISHA MELA to strengthen academic monitoring. These sessions provided valuable insights for improving learning outcomes and strengthening academic support systems.
